

HOTEL  
**VILLA BELROSE**  
GASSIN / SAINT-TROPEZ

*Journey by car from the international Nice Côte d'Azur airport to the hotel  
« Villa Belrose » in Gassin – St-Tropez.*

The international Nice Côte d'Azur airport is located 110km away from the Villa Belrose. It is a about 1 hour and 45 minutes drive.

Unfortunately the GPS systems do not recognize private streets like ours that is why we suggest to enter « Saint Tropez » as the destination in your navigation system and to follow the indications below.

Our team will also be at your disposal when you will have difficulties finding the Villa Belrose.

1\*) Take the motorway A8; direction « Cannes – Aix en Provence ».

2\*) Follow the motorway A8 90km and take the exit 36 « Le Muy ».

3\*) After you have left the motorway there directly is a roundabout. You need to take the first exit in the roundabout, road D 125, direction Sainte Maxime – Saint Tropez.

4\*) You follow this road which leads you directly into Saint Maxime, than you cross Sainte Maxime and follow direction Saint Tropez on the N98.

5\*) Drive through the bridge in Port Grimaud. At traffic lights, you always have to follow direction Saint Tropez, NEVER GASSIN

6\*) Now you are on the road next to the sea in direction St. Tropez. On your right hand side, just behind the radio station « NRJ » you need to turn right into the hill, which is the private estate « Sinopolis ».

7\*) In the Sinopolis estate, follow the white line on the ground, from the estate entrance right to the Villa Belrose, it is about 800m.

The Villa Belrose team wishes you a nice journey and stays at your disposal for any further requests or information.
